Las Vegas, NV 89134
Telephone: (702) 331-9966

Dear Patients,

It has been my honor and privilege to be your dentist and I have sincerely appreciated your confidence and trust in allowing me to care for your dental health. After 46 years of practicing dentistry, I have decided to step aside and allow another dentist to continue to provide the compassionate care and clinical excellence to which you are accustomed.

I am happy to announce that Trexton Davis, D.M.D. has joined the practice and will be available to care for your dental needs in the future. Dr. Davis is from Henderson, Nevada originally and has been practicing in our community since 2021. Dr. Davis earned his Dental Degree from University of Nevada, Las Vegas and grew up in the valley. I have been impressed with Dr. Davis's use of both "tried and true" clinical methods, along with the integration of state-of-the-art technology and treatment planning. Dr. Davis's philosophical approach and caring manner are closely aligned with how I have practiced dentistry throughout my career. With Dr. Davis's experience and education, I assure you that he will carry on my legacy of providing dental care in the highest professional manner.

I am committed to facilitating a smooth transition for Dr. Davis and will be at the practice for some time finishing cases and making introductions. Dr. Davis and I have worked hard behind the scenes to make this transition seamless and having confidence in my successor has made the process that much easier. Remember, the absolute best hygienist and dental support team in the business—Betty, Jenny, and Michelle will continue to serve you. I know Dr. Davis will appreciate, as have I, all of the little things they do to make your visit to the dentist as enjoyable as possible.

I have always striven to provide you with the best care I could possibly deliver in a warm, caring, family-like atmosphere. I am delighted you will continue to receive the same from Dr. Davis and our friendly and caring staff.

My gratitude and best wishes go out to you all.

Sincerely,

A handwritten signature in black ink that reads "Brian R. Karn D.M.D." in a cursive, flowing style.

Brian R. Karn, D.M.D.

Please join us for an Open House August 12th 5pm to 7pm, at the office, and say goodbye to Dr. Karn and hello to Dr. Davis. We hope to see you all there!

A little more about Dr. Davis:

Dr. Trexton Davis is proud to call Las Vegas home, having been raised here in the valley. He graduated from the University of Nevada, Las Vegas with bachelor's degrees in Biology and Entrepreneurship before earning his Doctor of Dental Medicine degree from the UNLV School of Dental Medicine. Prior to dental school, Dr. Davis served a two-year mission for his church in Portland, Oregon, where he developed a deep appreciation for service, and discovered that people weren't exaggerating when they said it rains a lot in the Pacific Northwest.

During his undergraduate years, Dr. Davis married his high school sweetheart, and together they have been blessed with four wonderful children. Family is at the heart of everything he does, and he strives to create a welcoming, comfortable environment where every patient is treated with the same care and respect he would offer his own family.

Outside the office, Dr. Davis enjoys spending time with his family, exploring the outdoors, and hiking the scenic trails of Red Rock Canyon. He is also an enthusiastic supporter of the Vegas Golden Knights and is always happy to talk hockey (go, knights go!).

Dr. Davis is committed to providing exceptional dental care with compassion, integrity, and attention to detail. He believes a visit to the dentist should be as comfortable and stress-free as possible, and if he can help patients leave with a healthier smile and a genuine laugh, that's even better. Dr. Davis looks forward to meeting all of the amazing patients here at Encore Dentistry!
